Dear Parents,

Creating a climate of respect, orderliness and safety is critical to a school's success. Please take a moment to go over the Combs Elementary School Discipline Plan, Code of Cooperation and the Wake County Public School System (WCPSS) Discipline Policy. It is WCPSS policy that all parents sign this form indicating that you have read these documents and support your child in adhering to these procedures and policies.

Sincerely,

Muriel T. Summers
Principal

I read the Combs Elementary School Discipline, Code of Cooperation, policy and the WCPSS Discipline policy in the WCPSS Parent/Student Handbook. I understand and will support my child in adhering to the policies and procedures.
